## VOCAL AND KEYBOARD ARTIST TO PLAY POP FAVORITES

Vocalist and keyboard artist Don Haines will present a program of Broadway show tunes, jazz and current hits when he plays for the NOON SERIES on Tuesday, October 10 at noon in the Auditorium. Haines' sophisticated piano stylings have made him a popular entertainer at the Top of the Center, Stouffer's University Inn, and The Thai Village in Columbus. The Van Wert native was blind at birth, then regained a limited amount of sight which then faded by early adulthood. Don is a graduate of The Ohio State School for the Blind. He then continued his education at The Ohio State University in Columbus where he received Bachelors and Masters degrees with an emphasis on Music and History. Don says, "The challenges I have today will be with me throughout the rest of my musical career. But, making enjoyable music overshadows the effort that makes it all possible."

Highlighting the week's events will be the appearance of popular entertainer DON HAINES from Columbus. On Wednesday, October 11, put a blindfold on and try being guided by one of our guest "pilot dogs" through an obstacle course in the Lobby of the Public Services Building from 11:00-1:00. Keep the blindfold on to try your hand at "Blindman" chess and checkers during the same hours. On Thursday, October 12 the "Wheelchair Obstacle Course" will be open for everyone to try on the Cook Hall Patio between 11:30-1:00. If you have never tried maneuvering a wheelchair this will give you some idea of what many of our students face everyday.
